Dear Fathers,

I have pleasure to write you this morning. I hope you are well. How is your ministry? In St. Albert, is in progress to prepare the patronal feast on 15 November. It's the largest activity of the locality.

I want to thank you for all your efforts, your pastoral care for the parish of St. Albert. The parish of St Francis is the sister parish of St. Albert. Today, St Albert has another Sister parish: Sts Peter and Paul. Thank you Fr. Ed and Fr. Tony. It's a good relationship between St Albert parish and St Francis, Sts Peter and Paul Parish. The parishioners of St Albert are happy to see the parishioners from St Francis. The twinning parish works to help St Albert parish. The social projects are good. There are two big points in our relationship: mutual respect and confidence.

St Albert parish is a little locality. The parishioners works in the land. The people is very poor. But they have faith in God.

The parishioners and me will be happy to see you (Fr. Ed and Fr Tony) in St Albert parish. Welcome

Have a good ministries. Father Marcel Janvier
