# The Parish Window

A PARISH UPDATE FOR ALL

FROM THE DESK OF FATHER ANDREW THOMAS...

## Coffee Table Books and Faith: A Thoughtful Reflection

I'm sure we all love coffee table books. They are filled with pictures and are available in various shapes and sizes, but we seldom pick them up to read. These books are usually oversized and stretch across our laps when opened. I have a pile of them in the rectory and pick up one or two every time I go somewhere. I'm not sure where my interest in coffee table books came from, but I've even started collecting *official guides*, which is a story for another time. Unfortunately, I've noticed that I treat my faith like a coffee table book sometimes. It's tempting to pick it up and look at it safely from the comfort of my day-to-day life, but it's not at the center of my life or something I practice with conviction. I hope I'm not the only one struggling to allow the grace of God to transform my life.

### *Walking with Jesus Christ*

Each year, we walk with Jesus Christ, celebrating the high points of his life and ministry. This yearly journey is meant to help us unite more deeply with Jesus Christ, to walk with him daily, and to live as he did, to hope as he hoped. Our source of hope is simple: no matter what comes our way this year, we're walking with God, and he's walking with us.

- Father Andrew Thomas

### Catholic Ministries Appeal

The Diocese of Evansville relies on the funds raised from the Catholic Ministries Appeal (formally known as CPC) to operate just as our parish relies on funds raised from the Sunday collection. Sts. Peter & Paul's assessment is \$198,476. At the time of publication, our parish had received \$143,562 in pledges. Thank you to those who have already given; your support is greatly appreciated!

If you have not yet given, please prayerfully consider how you can support the CMA. Pledge cards may be dropped in the box at the church door or in the collection basket or mailed to the parish office. Online giving is also available at [www.evdio.org](http://www.evdio.org) or by scanning the QR code. There is an online payment service fee.

### End of the Year Donations

All donations to Sts. Peter & Paul for tax substantiation must be in by January 1, 2024 and dated December 31, 2023. Donations received after January 1, will be recorded as a 2024 donation. If you are making a donation of stock, please contact the parish office at 812.768.6457. Thank you for your generosity.

### Diocesan Overview

Have you ever wondered how the Diocese of Evansville operates? Please watch the video presentation of how the diocese is structured, funded and works with all of the parishes to carry out the ministry of the Catholic Church. To view the video, scan the QR code or visit [evdio.org](http://evdio.org).

### Additional Parking Added

We are happy to share that a new parking lot has been added to the north of our campus! Instead of walking along the street, use the walkway along the Kinder Haus playground to access the Family Life Center parking lot.

Thank you to everyone  
who helped  
install the parking lot!

Save the date for Sts. Peter & Paul's Die Kirche Auktion Fest's 20th Anniversary! Mark your calendar for April 13-14 and plan to celebrate two decades of auction traditions. The steering team is already working hard to make this a huge success, and we need your support to make it happen. See your auction mailer for all the details!

## Help fill our auction tables!

To donate auction items, complete a donation form or scan the QR code. In addition to items, experiences and services are always a big hit! Here are ideas:

**Time** - Consider hosting a themed event. Ideas: progressive dinner or holiday party.

**Talent** - Consider sharing your talents by donating a cooking or baking class, sports training session or crafting lesson.

**Early Bird Donation Deadline:**

## CEMETERY UPDATES

### Renovating the Cemetery Entrance

After years of planning and work, Sts. Peter & Paul's cemetery entrance is complete. With national research pointing to a rise in cremations, the newly added columbarium niche cabinets (final resting place for ashes) are the perfect addition. The cemetery's landlocked status required creative thinking to conserve space while still offering a variety of burial options. Incorporating the community columbaria niches saves valuable land and complements our new entrance plans. To learn more about cremation and columbarium niche options, contact Kim Goedde, cemetery manager, at [kgoedde@evdio.org](mailto:kgoedde@evdio.org).

### BEAUTIFUL SOUNDS

## Glorifying God Through Sacred Music

When the Second Vatican Council met in the 1960s, the very first document they produced was devoted entirely to the subject of sacred music (Musicam Sacram; it's freely available online). In this essay, the Church tells us that sacred music's true purpose is "the glory of God and the sanctification of the faithful." We take that charge seriously in our music ministry at St. James and Sts. Peter and Paul, knowing that God is glorified through our hard work to develop the talents that he has given to us. And so we continue to expand our abilities, hoping that God will find us to be faithful stewards of those gifts.

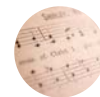

In support of the nationwide Eucharistic Renewal, we've been introducing new music. In addition to *This Is Jesus*, we are adding two beautiful songs to our repertoire of Eucharistic congregational hymns: Joncas's "Take and Eat" and Stephan's "Bread of Angels." In addition, our choirs will begin singing Frisina's *Anima Christi* and Mozart's *Ave Verum Corpus*.

Our students are becoming more comfortable with chant. Starting this winter, you may hear them singing two of our most beautiful chant hymns: *Creator of the Stars of Night* and *Of the Father's Love Begotten*. If you don't know these wonderful hymns that Catholics have sung for nearly a thousand years, they are easy to find on YouTube, and they are pretty quick to learn, even if you haven't sung much chant.

We have some special Christmas music programs coming up. Our third annual Festival of Lessons and Carols will be on Wednesday, December 20 at 6:30 p.m. Join us at Sts. Peter & Paul Church for an evening of contemplation, Scripture, and music in which nine readings about Jesus's fulfillment of the Old Testament Messianic prophecies are united with meditations written by our parishioners at St. James, Sts. Peter and Paul and Holy Cross, and with music from musicians and choirs at all three parishes. A reception will follow in the Sts. Peter & Paul School's cafeteria.

*The choir and instrumentalists perform on November 19, 2023.*

***If you love music, contact Drew Wilson, Director of Sacred Music! There are many ways to share your love and talent at our parishes, whether you sing, play an accompaniment instrument or melodic instrument. And, you don't have to be a superstar! We're happy to meet you where you are, to find the right fit for you, and to help you grow.***

### ST. MARIA GORETTI YOUTH MINISTRY Making an Impact

The St. Maria Goretti Youth Ministry kicked off the new school year in September with a range of engaging activities. The youth participated in bingo with the elderly at Owensville's Transcendent Healthcare, high school RockLife, and a new initiative, MS Girls Gathering, which provides middle school girls an opportunity to grow in faith and fellowship. Additionally, high school Girl Time and Boys Open Gym began in November.

RockLife has been a big success with an average of 30 high school students attending each night. This year, guest speakers from different backgrounds provide attendees with diverse perspectives on their spiritual walk with the Lord and His Church.

On October 21, sixteen middle school students joined 500 other youth in Nashville, TN, for the Holy Fire retreat. With renowned Catholic speakers, uplifting music and the opportunity to participate in Adoration and Mass, the retreat was a fantastic and memorable experience for all.

## HOLY CROSS, ST. JAMES AND STS. PETER & PAUL'S Forming Faith at Religious Education

We are happy to welcome 286 students and 40 catechists to our K-12 religious education program. We're also privileged to have two seminarians, Deacon Caleb Scherzinger and 3rd-year seminarian, Keith Hart from St. Meinrad Seminary, joining our team. Please join us in welcoming these gentlemen to our parish community.

During the first semester, our students have had many opportunities to deepen their faith, develop a relationship with Jesus and learn about the Catholic Church's teachings and traditions. It is inspiring to see how many students make religious education a priority and attend classes regularly on Wednesday evenings! Below are some highlights of our Religious Ed activities:

- Living Rosary
- Sacrament of Reconciliation preparation for 2nd graders
- Faith deepening for Confirmation students
- Talks on natural family planning and abortion/contraception
- All Souls' Day event in the cemetery
- Theology of the Body classes for Grade 8 students
- High School cantors lead songs before each class
- Volunteers lead the Rosary to welcome the students.

We were also excited to have our eighth-grade students participate in the "Vocation Awareness Program and Awards" sponsored by the Serra Club of Evansville. After listening to talks on marriage, priesthood/holy orders and consecrated religious life, students were asked to write an essay, research paper, skit or poem describing their understanding of vocations. Congratulations to this year's student representatives:

- **Aubrie Ziliak**, daughter of Jon & Laurie Ziliak (St. James)
- **Tenley Beloat**, daughter of Nathan & Rachel Beloat (Sts. Peter & Paul)
- **Mia Sefton**, daughter of Clinton and Amanda Sefton (Sts. Peter & Paul)

### Joe and Jamie Kiesel

Joe, a lifetime Sts. Peter & Paul parishioner, runs a land surveying business, and Jamie, a 19-year parishioner, is a stay at home momma currently homeschooling 2 children. After serving as catechists for the Religious Education program on and off for the past 15 years, they're currently spending Wednesday nights with our 8th grade students.

High school sweethearts, Joe and Jamie have been together for 26 years With five kids - Landon (17), Lukas (15), Elizabeth (8), Emma (6) and Lee (4) plus eight goats and lots of chickens, the Kieseles are busy. But, on Wednesdays nights, everything pauses for Religious Ed.

**If you could invite any saint to your classroom, who would it be?**

Blessed Carlo Acutis

**What called you to volunteer?**

A seed was planted many years ago by our marriage sponsor couple, Bill and Laura. We ended up teaching, but because of the seasons in our life we had to step away. We always knew we'd return.

**What do you enjoy most about class?** Connecting with the kiddos and making an impact in their faith journey.

**What's the #1 takeaway from your class?** They are loved and that their goal in life is to get to Heaven.

**Faith First** The Kiesel family gathers following Elizabeth's First Communion.

## The Rescue Project - Coming This Lent 2024

We each have a different experience and unique relationship with Jesus. One of the goals of The Rescue Project, other than bringing you the Gospel in a new light, is to offer the opportunity to encounter Jesus in a whole new way or maybe even to encounter Him for the first time. Do we have God in a "box"? Do we really contemplate how big God is? Join us this Lent to see the Gospel in a whole new way. The Rescue Project is for anyone - Catholic, non-Catholic, believer, non-believer. Maybe you think Jesus was someone in the history books. Come with an open mind; there's no judgement, no homework. You're welcome to share in the discussion or sit quietly and take it all in. There will be great food and great company! Watch for more details on this opportunity to join us this Lent. Scheduled for Sunday evenings at St. James, this event will be limited to register.

“It gave me a new perspective and opened my mind to a broader way to think about my faith.”

## Scripture Studies

The fall Scripture Study covered Formed's "The Case For Jesus" by Brant Pitre. This study unveiled the Biblical and historical evidence for Christ. Our next study, "Lectio Mary - The New Eve" will begin in January. Watch the Bulletin for details.

Would you like to start your own group or gather your family for a study? You can access great material on FORMED.org and view it from home! If you need help getting started, call the Religious Ed office at 812-768-6457.

## Grace Marriage

We are excited to bring Grace Marriage to our parishes! Grace Marriage is a 4-part series where couples can invest time, energy and creativity into their marriage and move it from average to life-giving! It doesn't matter if you are newly married or have been married 50 years or more. In order to have a strong marriage, you and your spouse must commit to never stop working together. There will always be an area of your marriage that requires your attention and best efforts. We have 15 couples participating this year from our parishes! This will be available annually. Watch for sign-ups next fall.

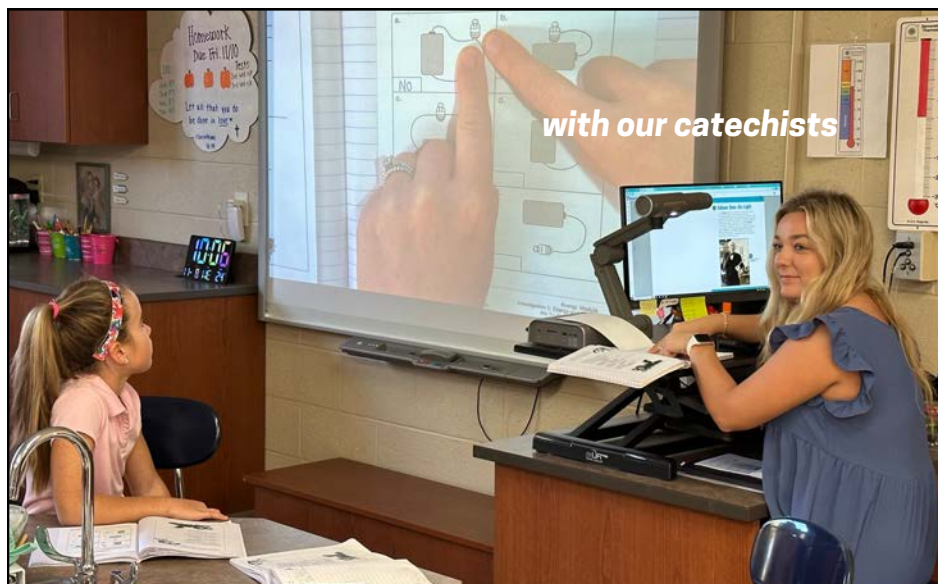

## Order of Christian Initiation of Adults

As our OCIA candidates and catechumen enter into a period of deeper formation in the OCIA process, please keep them in your prayers.

## Students Fully Engaged in Science Education

At Sts. Peter & Paul, science education is a top priority. Students are introduced to a broad range of topics, such as landforms, weather, sun rays, soil and animals. The school utilizes FOSS (Full Option Science System) kits to provide a comprehensive curriculum, complete with videos and game supplements that keep students engaged.

What sets Sts. Peter & Paul apart is their approach to science education. Lauren Farmer, 1-5 science teacher, explains that the school has a dedicated science classroom and a teacher who is solely focused on science education. Students from first through fifth grade have 30-40 minutes of science instruction daily, which includes hands-on learning. Mrs. Nathalie Osborne teaches kindergarten science, and she, too, focuses on hands-on learning for the youngest students. Deep thinking and science investigations keep student sharp and ready to learn more.

## Sts. Peter & Paul Stars Achieve Outstanding ILEARN Results

We are proud of our students' outstanding performance on the 2023 ILEARN assessment, the statewide test taken by all Indiana students. Our students ranked first in both Math and Science, and ninth in ELA. When considering all scores combined, our Stars ranked first in the state – an amazing accomplishment. We are incredibly proud of our students and their hard work in the classroom, as well as our dedicated staff who have helped them reach these heights.
